

# ASTC Conference Recordings

Most sessions at the 2008 conference will be audio recorded and available on audio CD or MP3 CD-ROM.

Individual sessions on audio CD cost only \$20 on-site.

Get every single recorded session on MP3 CD-ROMS—a great professional development resource for your staff—for only \$99 when you preorder before August 11. **Act now and save \$50; the postconference price will be \$149!**

To reserve your set of session recordings, call Convention Recordings International, Inc. at 727/345-8288, or order online at [www.conventionrecordings.com](http://www.conventionrecordings.com). (Click on “Conference Listings” and select ASTC)

## *What is an MP3 CD-ROM?*

A normal CD can only hold 80 minutes of audio. By using MP3 compression technology, we are able to fit up to 40 hours of audio on one CD. Just place the CD in your computer and a listing of all topics on that CD appears. Click the button next to the title you wish to hear and increase your knowledge.

- Listen to sessions you couldn't attend
- Share best practices from the field with your entire staff
- Review information at your pace
- Use in orientation and training for new staff members
- Easily transfer files to any MP3 player
- Stay current and informed
- Also plays in MP3-compatible CD players
