Is Your Community Ready for an Extreme Event?

Host an Extreme Event game to give your community a taste of what it takes to build resilience in the face of disaster. Players build coalitions, weigh trade-offs, and solve problems during an engaging, fast-paced disaster simulation.

3 SCENARIOS AVAILABLE

- **Earthquake**
- **Flood**
- **Hurricane**

**BENEFITS OF PLAYING**

- **Teambuilding & Icebreaking**
  Players must work together to solve problems within small and large groups

- **Learning Outcomes**
  Players learn to prioritize resources, build coalitions, and adapt to changing circumstances

- **Key Skills**
  Players practice critical thinking and improve civic literacy related to disaster resilience

**OPTIONS FOR HOSTING**

- **Do-It-Yourself**
  Print your own game materials and use them again and again!

- **Materials Rental**
  Borrow a set of pre-printed materials for just the cost of shipping.

- **Fully Facilitated**
  Have us provide all materials and host your game. Minimal fee covers only the cost of travel.

**WHAT YOU NEED TO PLAY**

- **12-48 players**
- **1 hour**
- **Free game materials**
- **7 tablets/laptops + Wi-Fi** or **1 computer + screen & speakers**
