GOALS OF ASTC

Does your institution agree with ASTC's *Statement on Science* (listed below)?

- Yes No

Science is a human endeavor that uses observations and experimentation to develop explanations of the natural world. Scientific theories are grounded in and compatible with evidence, internally consistent, and demonstrably effective in explaining a wide variety of phenomena. Science is based on hundreds of years of scientific observation and experimentation and many thousands of peer-reviewed publications.

Does your institution agree with and demonstrate a strong interest in the goals of ASTC (listed below)? Yes No

- To further public understanding of science
- To show the impact of science and technology on society and culture
- To encourage diversity and participation by all peoples in the scientific enterprise, especially women, minorities, and other groups underrepresented in scientific and technological careers
- To serve as a vehicle for cooperative projects of mutual interest to its membership
- To advance the role of science and technology centers in society
- To cooperate with other educational agencies and organizations to further common goals

COMMUNICATIONS

ASTC is committed to providing its members with time-sensitive and up-to-date information on issues of importance to the science center field. So that your institution may benefit from these services, we request permission to send you and/or your staff timely print, faxed, or e-mail communications, such as *INFORMER*, annual conference announcements, and related marketing opportunities. Please indicate your institution's acceptance by checking the box below.

- As a benefit of membership, I and my staff consent to receive ASTC email communications, and to ASTC storing and processing my contact and membership data in order to maintain communications with me. I understand that I and my staff may unsubscribe from any subscription at any time by using the "unsubscribe" link provided at the bottom of each email or by writing info@astc.org, and that I can view ASTC's privacy policy on its website at any time.

SUPPORTING MATERIALS

Please send the following materials (if available) for the ASTC Membership Department's review:

- Most recently published Annual Report
- List of principal staff, indicating title and department
- Brief biographical sketch for up to three principal staff
- Photographs of the institution's exterior, interior, and major exhibits
- Building map or floor plan
- Recent press clippings
- Most recently audited financial statement
- Brochures and other descriptive materials about the institution's exhibits, programs, and facilities.
