List the names and contact info (if you have it) for specific individuals or projects. No need to reach out to them (we are still at the idea stage).

How would you like to be involved in developing this idea further?

- I would like to be actively involved in the session development and perhaps present.
- I would like to work with others to pull the idea together.
- I'm not quite sure yet.
- I just wanted to share my suggestion with the planning committee.

As an organization headquartered in the United States, ASTC uses demographic categories drawn from U.S. policies and assessment criteria. As an organization with a global membership, we understand that not all of these categories are relevant outside of the United States, and we encourage respondents to use the self-description option to best describe their identities.

If you have any feedback about this form, please contact us at info@astc.org.

The following questions are optional and will NOT be shared with proposal reviewers. Responses are based on the proposal submitter (person filling out this online form), not the presenters.
