Section 2

Session Presenter Information:

To add presenters, enter their email address to search ASTC's member database (this may take up to 30 seconds).

If the presenter isn't found, that means they are not in our database under that email address. You can add them by clicking "add missing user" and enter the presenter's

accurate contact information (full name, email, and job title). **Each concurrent session proposal should have a maximum of five presenters.**

If the proposal is accepted, presenters will be required to accept their participation; speakers are generally limited to presenting at up to two Concurrent Sessions.

Affiliation with an ASTC-member organization is *not* required to submit a session proposal nor to be a presenter.

Session Leader (mandatory field):

Ada Lovelace (Mathematician & Computer Programmer)

Yes No

Required

Section 6

Diverse Perspectives: Your session's articulated commitment to diversity will be considered during the review process.

ASTC is committed to incorporating diverse perspectives within each session and across the entire conference. The CPPC will also assess whether presenters are well-positioned to facilitate the session topics.

In the fields below, **describe how your session represents diverse perspectives, individually and organizationally.** It is critical that each session incorporate diverse perspectives and there is no single way to address this requirement, but consider the following dimensions of diversity:

- Range of personal identities (e.g., age, ethnicity, race, gender identity and expression, sexual orientation, ability, nationality)
- Variety of career stages and job roles
- Organizations of all types, sizes, and geographies
- Variety of perspectives and topical viewpoints
- Content explicitly focused on diversity, accessibility, inclusion, and equity

Individual Perspectives: Please comment briefly on how your proposal represents diverse INDIVIDUAL perspectives. For example, you may wish to comment on personal identities, career stages, and job roles of presenters. (100 words maximum)

Duis sodales eleifend risus, ac pulvinar quam convallis nec. Mauris mi erat, dignissim tincidunt lectus finibus, mattis condimentum velit. Morbi euismod gravida massa, sed porttitor ante condimentum a. Duis eu ligula eu leo sodales laoreet. Cras accumsan semper lectus, eu tristique nisi lobortis auctor.

Required

Organizational Perspectives: Please comment briefly on how your proposal represents diverse ORGANIZATIONAL perspectives. For example, you may wish to comment on the organizations represented by the presenters including type, size, and location. (100 words maximum)

Vestibulum lectus erat, ornare ac mauris a, mattis sagittis nulla. Proin ac ante at tortor facilisis vestibulum quis non lorem. Vivamus commodo, dolor vel egestas dapibus, enim ex malesuada dui, vitae congue urna ipsum id massa. Quisque mauris justo, lacinia sed tincidunt et, lobortis a quam.

Topical Tags

Topical Tags: From the dropdown, select up to two tags that best describe the content of your session. A minimum of one tag must be selected.

Science Education 

Required

Topical Tags 2: Select an additional tag from the dropdown.

Section 8

Additional Information:

Is your submission part of a grant dissemination plan?

Yes

No

Required

Special session requirements (50 word maximum): Each meeting room will be equipped with a projector, screen, and microphone. Additional equipment, such as flip charts, white board, etc. may incur additional costs at the presenter's expense.

Section 9

Demographic Information - These additional questions are optional and will not be used in the review of your proposal.

ASTC is committed to ensuring that our programs and activities are inclusive and represent the full diversity of our field. **The following questions are optional and will NOT be shared with proposal reviewers.** They will be used by ASTC, in aggregate, to assess our own performance against our stated values.

These questions were built based upon recommended demographics questions, including the following resources:

- T. Fernandez, A. Goodwin, J. Doyle, D. Verdin, H. Boone, A. Kirn, L. Benson, and G. Potvin. 2016. [More Comprehensive and Inclusive Approaches to Demographic Data Collection](#). *School of Engineering Education Graduate Student Series*. Paper 60.
- Harvard T.H. Chan School of Public Health Office of Regulatory Affairs and Research Compliance (ORARC). 2020. [ORARC Tip Sheet: Inclusive Demographic Data Collection](#).
- Human Rights Campaign Foundation. 2020. [LGBTQ Self-Identification in the Workplace](#).

As an organization headquartered in the United States, ASTC uses demographic categories drawn from U.S. policies and assessment criteria. As an organization with a global membership, we understand that not all of these categories are relevant outside of the United States, and we encourage respondents to use the self-description option to best describe their identities.

If you have any feedback about this form, please contact us at info@astc.org.

The following questions are optional and will NOT be shared with proposal reviewers. Responses are based on the proposal submitter (person filling out this online form), not the presenters.
